

WHAT DID YOU DO LAST WEEKEND?

VENTURING IS ...

Coed | High Adventure | Fun With Friends | Leadership | Community Service

Dayton Amateur Radio Association
Venture Crew 73

Begin your adventure at
www.scouting.org/venturing

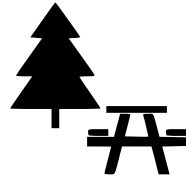

What is Venture Crew?

Venture Crew is for teens like you who are looking for adventure, personal growth opportunities, and the chance to make a difference in the world. Here are just a few of the things you can expect when you join our crew:

Community Service:

Whether you're building trails in a national park, organizing a food drive for the homeless, or helping to clean up a local beach, you'll have plenty of opportunities to give back to your community and make a real difference in the world.

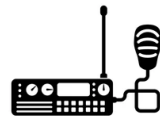

Cultural Experiences:

From exploring different parts of the country to meeting new people from all walks of life, our program is all about broadening your horizons and exposing you to new and exciting experiences that you might not have had otherwise.

Amateur Radio:

As a member of our crew, you'll have the chance to learn all about amateur radio and develop your skills as a communicator. Whether you're interested in emergency response, international communication, or just connecting with other radio enthusiasts, you'll find plenty of opportunities to explore your passion for radio.

But that's just the beginning!
With BSA Venture Crew, you'll also get to:

Go camping, backpacking, and rock climbing in
some of the most beautiful natural settings in
the country

Develop your leadership skills through
hands-on training and real-world experience

Connect with other like-minded teens who
share your interests and your passion for
making a difference

JOIN **VENTURE** **CREW 73**

So what are you waiting for? Join BSA Venture Crew 73 today and start your adventure!
